ABOUT THE COMPANY

Established in May 2002, **RAIDAT AL-SHARQ GENERAL CONTRACTING** is an independent company located in Dammam, Kingdom of Saudi Arabia.

RAIDAT AL-SHARQ GENERAL CONTRACTING has a reputation for being a professional organization with over 15 years of experience in the business. Our operations and processes have matured over the years through qualitative performance, a desire to continuously improve quality, and a focus on customer satisfaction and long-term partnerships.

RAIDAT AL-SHARQ GENERAL CONTRACTING was established to acknowledge the modern information systems required for the efficient and effective operation of rapidly growing industries and government institutions in the Kingdom of Saudi Arabia from its inception.

RAIDAT AL-SHARQ GENERAL CONTRACTING has demonstrated its professionalism by building an impressive customer base over the years and establishing business ties with major international companies.

To summarize in a nutshell, **RAIDAT AL-SHARQ GENERAL CONTRACTING**:

- Is a business-focused partner that provides "Value Based Service."
- Is financially sound and stable.

RAIDAT AL-SHARQ GENERAL CONTRACTING has the following:

- An established presence.
- Well-managed quality processes.
- Long-standing client relations.
- A high level of client confidence with 90% repeat business.

In terms of business focus, **RAIDAT AL-SHARQ GENERAL CONTRACTING** has developed expertise in the following domain areas over years of experience:

- Portable camp fabrication (manufacturing).
- Steel structure buildings (manufacturing).
- Civil works/electricity/sewage (specializing in temporary camp facilities).
- Steel hangers (pre-fabrication and installation).
- A wide range of oil field spare parts and accessories.

VISION

To be the top global provider of innovative and customized solutions for the manufacturing, construction and maintenance of prefabricated portable housing industries in the Kingdom of Saudi Arabia, known for our exceptional quality, reliability, customer service, and environmental stewardship.

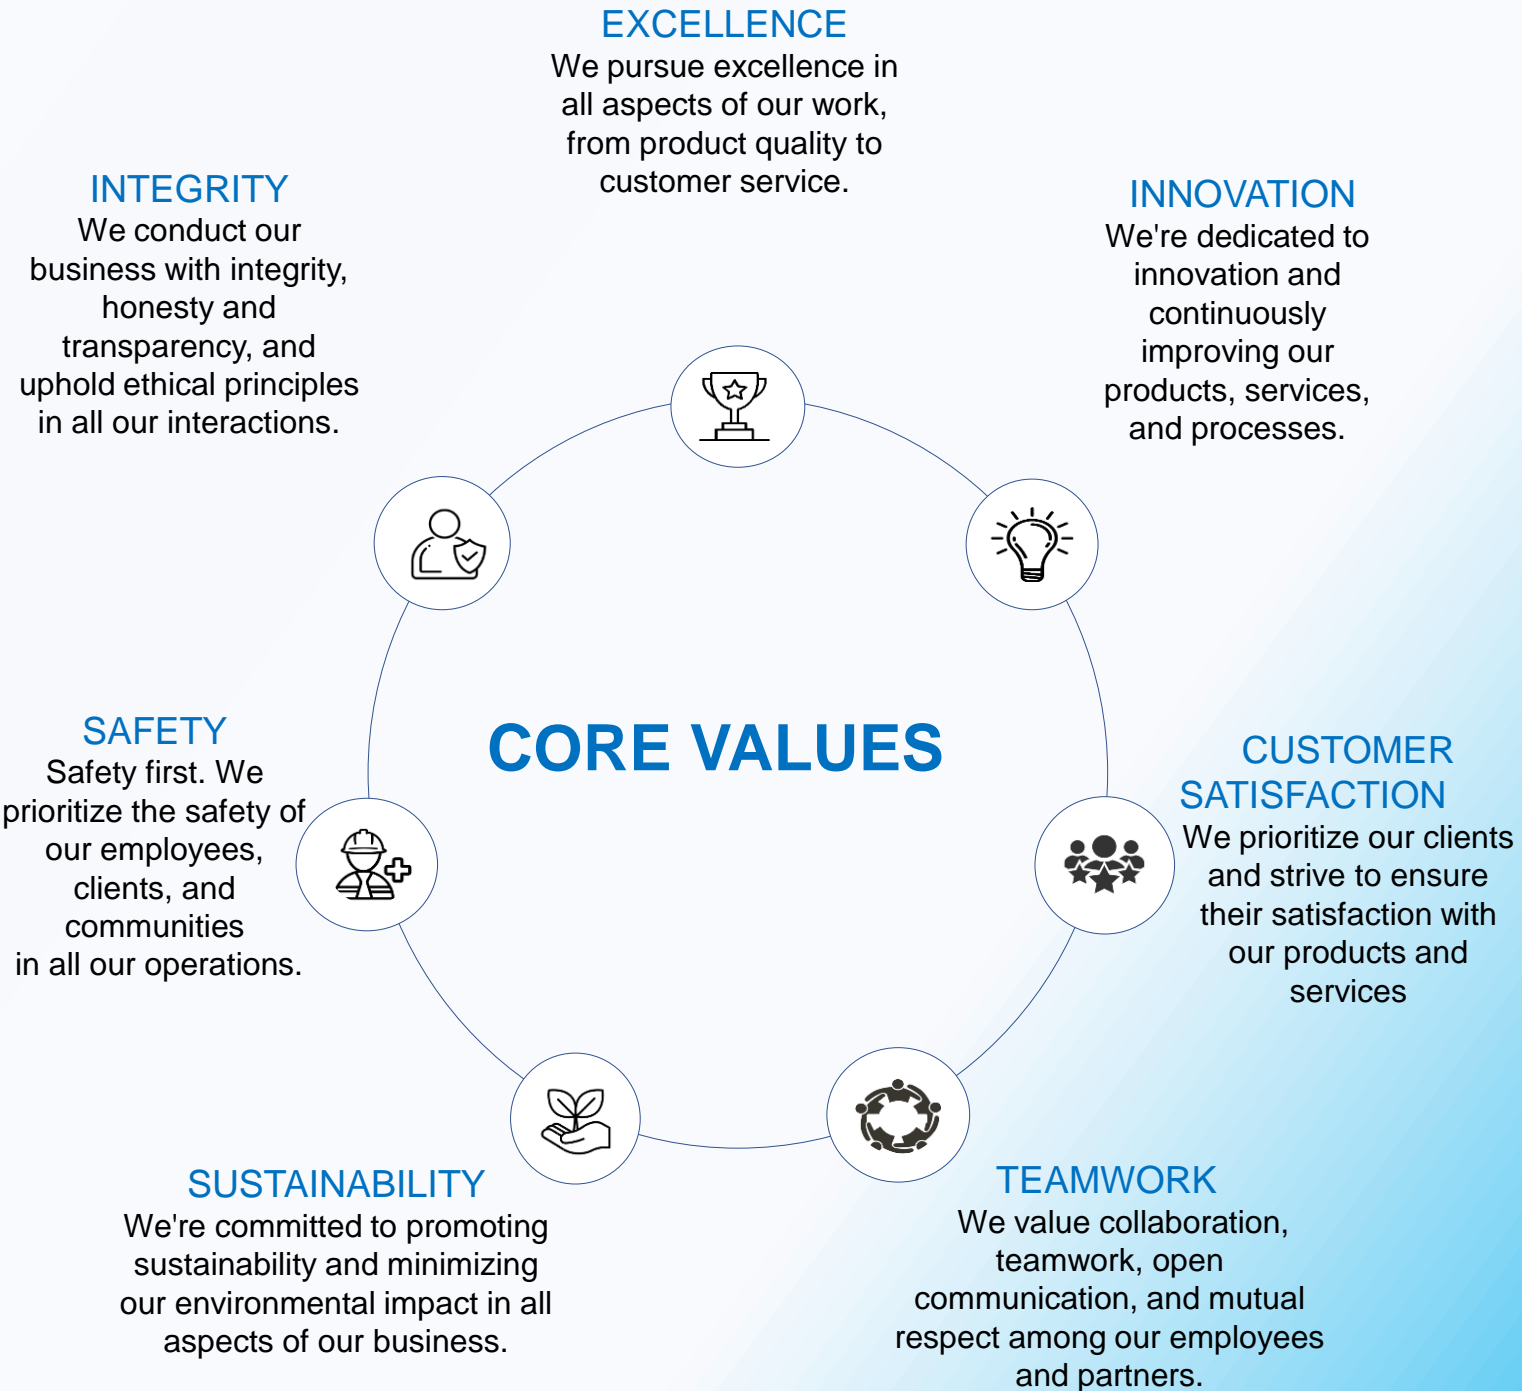

MISSION

Raidat Alsharq is your partner in nation-building. We provide comprehensive and integrated solutions for the construction, oil and gas, and temporary housing industries. We specialize in the design, manufacturing, installation, maintenance and services of portable camps, steel structure buildings, steel hangers, and related infrastructure, including civil works, electricity, and sewage systems. We also offer a wide range of oil field spare parts and accessories. Our mission is to exceed our clients' expectations by delivering high-quality products and services that are tailored to their specific needs, while maintaining a commitment to safety, sustainability, and social responsibility.

GOAL

Is to be the preferred provider of complete and integrated solutions for the construction, oil and gas, and temporary housing sectors in the Kingdom of Saudi Arabia. We go beyond providing products and services; we aim to be a reliable partner in your success. Whether you need construction equipment, temporary housing solutions, or oil and gas services, we are dedicated to supporting your business and helping you achieve your objectives.
